

Comprehensive PCB Solutions In One Place

PCB Fabrication

- Rigid & Flex PCB in multiple layers & surface finishes
- Diverse base materials including FR4, Rogers, Iteera & MCPCB
- Special technologies supported

Component Sourcing

- No minimum order quantity
- Global component sourcing
- Transparency and Traceability of components

PCB Assembly

- Turnkey, Combo & Consigned assembly
- BGA, LGA, QFN, QFP components assembly
- Comprehensive AOI verification and X-ray inspection

PCB Layout

- Expert layout for high-performing and manufacturable PCBs.

PCB Stencil

- Precision stencils for accurate solder paste application.

Industries We Serve

Automotive

Industrial
Automation
& Machinery

Healthcare and
Diagnostics

Internet of
Things (IoT)

Defense
and Military

Telecommunications

Consumer
Electronics

& many more

Why Choose Us ?

No minimum order quantity

Turnkey service provider

Instant quoting & ordering

Free delivery & no setup charges

We Have Served

250+ Locations **5000+ Customers**

Our Accreditations

Introducing

A group company of **PCB Power**

Comprehensive Enclosure Solutions In One Place
