GPP Overview

Guru Poly Products is a Partnership company established in 2018.

GPP is Located in a built-up Area of 20,600 sqft with a total area of 33,000 sqft facility in Hosur, Tamil Nadu, India. GPP has a significant Corporate MNC companies on its client list Like LS Automotive, Sundaram Auto Components Ltd, Emminitia, SSF & Winnercom Sandhar

GPP's operational excellence is predicated by our ability to out-perform, out-class and out-deliver our competitors on levels of workmanship quality, streamlined manufacturing processes and un-surpassed levels of customer care and retention. Our performance within our industry sector is in the upper quartile for our client's total cost of business.

The primary objective and core business driver for the GPP is to develop a distinctive capability. By definition a "Distinctive Capability" is a set of core attributes in business that competitors find difficult to replicate.
