UFP Industries, Inc., is a holding company whose subsidiaries supply three robust markets; Retail, Construction, and Industrial. Founded in 1955, the company is headquartered in Grand Rapids, Michigan, with affiliates throughout North America, Europe, Asia and Australia. www.ufpi.com

Mission

“We listen, observe, and discover at our packing companies worldwide. That’s how we’ve become a leading supplier of industrial packaging solutions, packing logistic support, and OEM components across the globe.

Our team of in-house designers and engineers are experts in creating packaging solutions such as custom crates, specialized skids, steel packaging, hard cases, on-site packaging, and pallets. We carefully blend functionality, durability, performance, and cost control into each of our solutions.”
