

Dear Valued Customer,

We SMR Electronics define ourselves as an independent distributor but you will find out more than this. Our well-trained Direct/indirect professional account managers have solid connection with official distributors and authorized suppliers all around the world that could help you to handle sourcing issues. And, a team of specialized experts is build-up to provide tailor made services to our OEM and EMS customer

Amassed industry experience covers North, South and East /west India. Our marketing team have strong ability to help you to strengthen your competitive power obviously

We SMR specialize in Microcontrollers ,

Microprocessors , LDOs , Cmos, Wireless Products and Today's Markets advanced Chips.

HIGHLIGHTS

Depend on our expertise
99,000,
units shipped annually

Discover how we can serve as your partner—from design to delivery.

LINECARD

- Discrete Semiconductor Products
- Isolators
- Integrated Circuits (ICs)
- RF/IF and RFID
- CMOS
- LDO (Regulator)
- Microcontrollers
- Sensors, Transducers

- Microcontrollers
- RTC
- Crystals and Oscillators
- Transistors - FETs, MOSFETs
- Integrated Circuits (ICs)
- Optoelectronics
- Sensors, Transducers
- Crystals and Oscillators
- RF/IF and RFID

- Microcontrollers
- Analog to Digital Converters
- Comparators
- Current Sense Amplifiers
- DC-DC Converters
- Low Power Timers
- Operational Amplifiers
- Switches and Multiplexers

- FPGAs
- SoC, CPLD

- Digital to Analog Converters
- Analog to Digital Converters
- Processors & DSP
- Clock & Timing
- High Speed Logic
- And all other Products...

- MICROCONTROLLERS AND PROCESSORS
- Processors
- RTC
- Crystals and Oscillators
- Transistors - FETs, MOSFETs
- Integrated Circuits (ICs)

- Ultrasonic Transducers
- Sonar Ranging IC, Accessories & Modules
- Piezoelectric Products
- Ultrasonic Proximity Sensors
- Ultrasonic Instruments

- MICROCONTROLLERS AND PROCESSORS
- Optoelectronics
- Sensors, Transducers

- Potentiometers

- Crystals and Oscillators

sales@smrelectronics.com
Web : www.smrelectronics.com

Our Products

- Embedded - Microcontroller
- Embedded - Microprocessor
- Voltage Regulators
- Relays
- Potentiometers
- Crystals and scillators
- Integrated circuits
- Sensors , Transducers
- Mosfets
- FPGAs

Aluminum Electrolytic capacitors

Hall IC

Diodes

Trim pots

Application Area

- Industrial Pump
- Automation
- Powerloom Industries
- Agriculture Electronics
- Entertainment Electronics
- Water Industries
- Communications Equipment
- Automotive
- Electronic Point of Sale (EPOS)
- Power Electronics
