### ABOUT HQTS INDIA

Founded in 1995, HQTS entered India in 2016 and is now one of Asia's largest third-party inspection firms. With pan-India coverage, a global network of experts in 80+ countries, and accredited product testing laboratories in key manufacturing regions, HQTS is the preferred quality partner for numerous Indian enterprises.

Services offered include supplier audits, quality inspections, testing, and governmental certifications, among others.

### OUR INSPECTION SERVICES

Our inspection services cover all stages of the supply chain, including pre-production inspection (PPI), pre-shipment inspection (PSI), and container loading supervision (SI/LS).

Our experienced inspectors will assess your items using multiple criteria: quantity verification, workmanship, packaging/labelling, size, client specs. and other relevant factors.
