

PRASAN

BRASS PRODUCTS

we stand ahead in quality

Manufacturer of Precision Brass,
Metal Components & Copper Alloy
Extrusion Rods & Billets

About Us

One Of The Leading Manufacturer Of Customized Components.

Established in 1996 as Leading Manufacturer of Metal Components, Prasan Brass Products is manufacturers of Brass, Aluminium & SS Components in India. By the years of experience and broad vision towards the total Quality in every aspect, company has earned its own name in the Brass Industries, worldwide.

Our Premium Support services will help your technical or subject-matter expert staff more effectively.

We recognize everything we do as a process that can be eliminated, simplified or improved.

We are very much concern about safety requirement & quality of our each product. As a company we always focus on service and value to our customers.

Striving to be a leader in our field by making innovative products with superior quality, collaborating with customers to reduce costs and build basis for mutual collaboration, and intensifying our efforts towards ongoing financial stability and profitability

We are committed to offer competitive advantage to our customers through quality and unmatched products. We maintain the best professional standards by establishing a benchmark in the business & endeavor to be on track with the advanced technology.

The base of our strength lies in the integrity, transparency, excellence and quality we provide to our customers. Client satisfaction is always our priority which we are able to fulfill with great commitment by understanding their objectives.

Why Choose Us

We can provide you products at very cost effective rates and of best quality, We believe that price is a key to sales success.

We recognize the potential for teams to produce superior results over what team members could achieve as individuals.

With large years of experience we are leading in industry as we provide best service and support to our customers at one stop.

We Stand Ahead In Quality

Prasan Brass dedicated to supply only best quality industrial products which are designed to work with the most rigorous applications. Our products and raw materials are certified by authorize laboratories after rigorous testing requirements which are conducted under the expert professionals of certified bodies. Continuous improvement is our ongoing process. All products made by PRASAN BRASS PRODUCTS are tested and inspected by certified professionals. Our measuring instruments are also calibrated by accredited authorities.

We follow rigorous controls like Material control, Process control, Machining and Dimensional control, Assembly line quality control, Leakage / Pressure testing along with supplementary tests to ensure that our range is free from all kinds of defects.

- ✓ In-Process & Inter-Process Inspections
- ✓ Equipment Calibration & Maintenance
- ✓ Dedicated Development Department
- ✓ Material Testing & Analysis
- ✓ Improvement of All Process
- ✓ Up-to-date records of quality standards

Quality Inspection

The company has unique Inspection facility to achieve goal of zero defects and rejection of any products during production. Well experienced and regularly trained engineers carry out the Inspection on each Individual product.

Quality Instruments

Company has invested good amount behind this to have majority type of Inspection instruments including all general purpose in instruments and gauges along with the profile projector and other sensitive instruments.

Brass Auto Parts

Types of : Precision Turned Auto Components » Temperature sensors Brass Components » Brass Inserts for Auto Plastics components » Auto Meters Brass Components » Automotive Brass Components » Automobile Valve Components » Auto Brass Bush

Material : Free Cutting Brass IS 319 Type (I) or BS 249 Type (I) » High Grade Free Cutting Brass » Brass – BS 2872 CZ 112» Copper – BS 2872 C 101, 102 CZ-360 High Grade Brass » Brass CDA-360 » Brass IS-319 Grade III » CuZn39Pb3, CW614N, CZ121, and C37710 » Any Special Brass Material Composition as per customers requirement

Threads : UNEF Threads , ISO metric, MM, PG, BSW, BSP, BSB, BSF, BA, NPT, NPTF, UNC, UNF, UNEF, BSPT
Any special threads as per customer specifications.

Size : As Per Customer Specification

Finish : Natural, Nickel Plated, Tin Plated, Natural Brass, Electro-Tin, Chrome or any coating as per customer requirements.

Brass & MS Fasteners

Types of : Brass Nuts, Brass Screws, Brass Washers, Industrial Fasteners, Brass Bolts, DIN standards fasteners, Washers, Studs, Threaded Rods Rivets, Slotted Machine Screw, Brass anchors, Brass Studs And Rivets, Copper Bolt Studs, Automotive Fasteners, Aluminum Fasteners.

Material : Free Cutting Brass IS 319 Type (I) or BS 249 Type (I) » High Grade Free Cutting Brass » Brass – BS 2872 CZ 112 » Brass CDA-360 » Brass IS-319 Grade III » CuZn39Pb3, CW614N, CZ121, and C37710 » Any Special Brass Material Composition as per customers requirement

Threads : UNEF Threads , ISO metric, MM, PG, BSW, BSP, BSB, BSF, BA, NPT, NPTF, UNC, UNF, UNEF, BSPT
Any special threads as per customer specifications.

Size : As Per Customer Specification

Finish : Natural, Nickel Plated, Tin Plated, Natural Brass, Electro-Tin, Chrome or any coating as per customer requirements.

Brass CNC VMC Components

Types of : Brass CNC VMC Components, Precision Automotive Components, Precision CNC Turned Components, VMC Machined Components, Precision Turned Connectors, Precision Metal Components

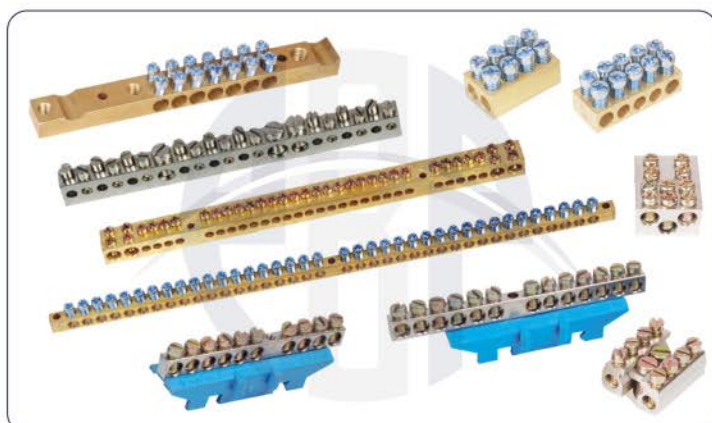

Material: Free Cutting Brass IS 319 Type (I) or BS 249 Type (I) » High Grade Free Cutting Brass » Brass – BS 2872 CZ 112 » Brass CDA-360 » Brass IS-319 Grade III » CuZn39Pb3, CW614N, CZ121, and C37710 » Any Special Brass Material Composition as per customers requirement

Threads : UNEF Threads , ISO metric, MM, PG, BSW, BSP, BSB, BSF, BA, NPT, NPTF, UNC, UNF, UNEF, BSPT
Any special threads as per customer specifications.

Size : As Per Customer Specification

Finish : Natural, Nickel Plated, Tin Plated, Natural Brass, Electro-Tin, Chrome or any coating as per customer requirements.

Brass Electrical Components

Types of : Brass Switchgear Parts, Brass Neutral Links, Brass Energy Meter Parts, Brass Contacts & Fuse parts, Battery Terminals, Cable Lugs
HRC Fuse & Kit kate fuse Parts

Material: Free Cutting Brass IS 319 Type (I) or BS 249 Type (I) » High Grade Free Cutting Brass » Brass – BS 2872 CZ 112 » Brass CDA-360 » Brass IS-319 Grade III » CuZn39Pb3, CW614N, CZ121, and C37710 » Any Special Brass Material Composition as per customers requirement

Threads : UNEF Threads , ISO metric, MM, PG, BSW, BSP, BSB, BSF, BA, NPT, NPTF, UNC, UNF, UNEF, BSPT
Any special threads as per customer specifications.

Size : As Per Customer Specification

Finish : Natural, Nickel Plated, Tin Plated, Natural Brass, Electro-Tin, Chrome or any coating as per customer requirements.

Brass Electronic Components

Types of : Brass Electronic Components » Brass Terminal Strips » Brass Plug Pin » Brass Connector » Brass Pin » Brass Connector Pin » Brass Terminal Brass Switchgear Accessories » Socket Panel Mounting » Bulk Head Socket » Brass Plug » Brass Charger Pin » Brass Mobile Pin

Material : IS 319 Brass Free Cutting. » As per BS-249 Free Cutting Brass Material. » CW 617N, CW 614N, CuZn39Pb3, CuZn39Pb2.

Any Special Brass Material Composition on Request.

Threads : ISO metric, mm, PG, BSW, BSP, BSB, BSF, BA, NPT, NPTF, UNC, UNF, UNEF etc » Any threads as per customer's design

Size : Any size available as per Customer Specification and Drawing Samples.

Finish : Natural, Electro Tinned, Nickel, Chrome, Led, Silver, Gold, Zinc Blue etc

Brass Moulding Inserts

Types of : Brass Moulding Insert, Brass PPR & CPVC Inserts, Brass Knurling Inserts, Brass Male & Female Inserts, Brass Threaded Inserts

Material : Free Cutting Brass IS 319 Type (I) or BS 249 Type (I) » High Grade Free Cutting Brass » Brass – BS 2872 CZ 112 » Brass CDA-360 » Brass IS-319 Grade III » CuZn39Pb3, CW614N, CZ121, and C37710 » Any Special Brass Material Composition as per customers requirement

Threads : UNEF Threads, ISO metric, MM, PG, BSW, BSP, BSB, BSF, BA, NPT, NPTF, UNC, UNF, UNEF, BSPT

Any special threads as per customer specifications.

Size : As Per Customer Specification

Finish : Natural, Nickel Plated, Tin Plated, Natural Brass, Electro-Tin, Chrome or any coating as per customer requirements.

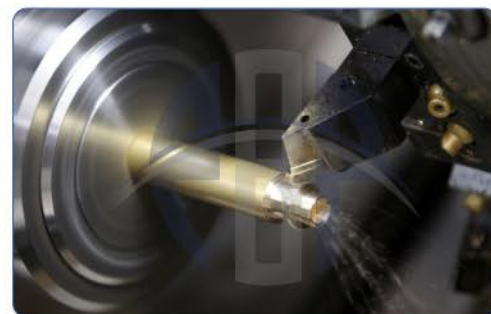

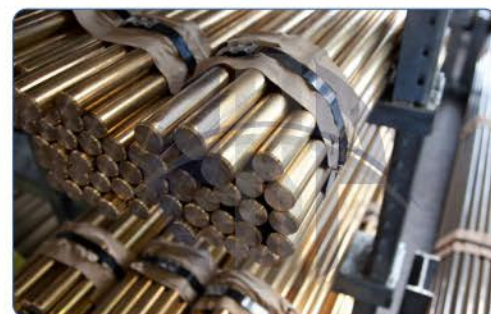

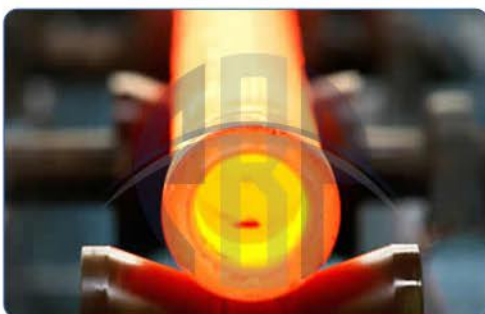

Infrastructure

We have established a state of art infrastructure with latest automated machineries which is segmented into different divisions for smooth and hassle free working. With over 20,000 sq. ft. manufacturing area, segmented for each area of operation, each segment has necessary facilities including modern machineries and tools. Our infrastructure has not only enabled smooth production of large batch but also helped us to make our position strong in global market.

Our flexible assembly system, packaging and immediate shipping allows us to meet any important requirement including custom labeling, Bar coding and customized solution for packaging. For our precise clients we offer export worthy customized packaging for the shipment of sea or air cargo. Our packing department ensures that products are delivered within stipulated time frame to the each client as per their custom requirement.
