

YANTRA
ENGINEERING SERVICE

ABOUT YANTRA

Yantra Engineering Service,

- We are Flexible & Scalable Manufacturing service providing small batch production / large volume production.
- We Manufacture with the help of a growing network of suppliers & bring speed in the manufacturing process.
- We also Provide full site of manufacture service to the customers to reduce the cost, improve quality, manage inventory & time.

MISSION

- To provide exceptional parts manufacturing and commitment with best services tailored to the unique needs of our clients, delivering superior quality products, fostering long-lasting partnerships, and contributing to the advancement of industries and a greener future.

VISION

- To be a globally recognized and preferred manufacturing partner, driving innovation and sustainable solutions, empowering industries to thrive and create a positive impact on the world.

OUR CAPABILITIES

REVERSE ENGINEERING

INJECTION MOULDING

TOOL & DIE MANUFACTURING

SHEET METAL FABRICATION

DESIGN & DEVELOPMENT

CUSTOM PACKAGING SOLUTION

ALUMINIUM DIE CASTING

PRECISION PARTS

OUR INDUSTRY SERVICE

Consumer Electronics

- ❑ Injection Molded Phone Cases: Stylish and protective cases for smart phones and tablets.
- ❑ Consumer Electronics Housings: Customized enclosures for various consumer electronic devices.

Automotive Industry

- ❑ Injection Molded Automotive Interior Parts: Customized interior components like dashboard panels and console covers.
- ❑ Automotive Lighting Housings: Durable housings for automotive headlights and taillights.

Electronics Industry

- ❑ Electronic Enclosures: Protective casings for electronic devices and equipment.
- ❑ Injection Molded Connectors: Reliable connectors for seamless electronic connectivity.

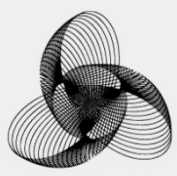

Solar Industry

- ❑ Solar Panel Mounts: Sturdy mounts for securing solar panels in solar energy systems.
- ❑ Solar Panel Frame Components: Precision molded parts for solar panel assembly.

MANUFACTURING FACILITIES

Sl. No	Machine Make	Tonnage
1	YIZUMI	90T
2	HAITIAN	90T
3	MILACRON	100T
4	MILACRON	120T
5	YEUN CHENN	140T
6	MILACRON	150T
7	YIZUMI	160T
8	MILACRON	180T
9	HAITIAN	200T
10	MILACRON	250T
11	YIZUMI	260T
12	YEUN CHENN	400T
