## About us

Established in **2024**, Shubham Electronics manufactures all types of ferrite coils, SMPS transformers and also provides PCB assembly services.

We began our journey as a women led start-up with guidance from industry veterans who have successfully supplied transformers to T.V. industry and manufactured UPS, DVD, Emergency lights, etc. for past 30 years.

Today Shubham electronics is supplying transformers to **Fire industry, Power Electronics – SMPS, Security and surveillance systems, Mobile accessories, Laptop accessories, Weighing scales etc.**

Committed to quality and punctuality we provide **customization according to your requirements** and can also provide you transformer design services. We are familiar with the different certification requirements such as RoHS, CE, UL, VDE and we strive to fulfil such requirements of our clients.

In a world where electronics manufacturing is a traditionally male-dominated sector, we at Shubham electronics continue to innovate and inspire paving the way for future generations of women in STEM.

# Applications

**LED Driver**

**BLDC Fans**

**Power Adapters**

**SMPS**

**Chargers**

**Energy Meters**

**E V Chargers**

**Fire Alarm System**

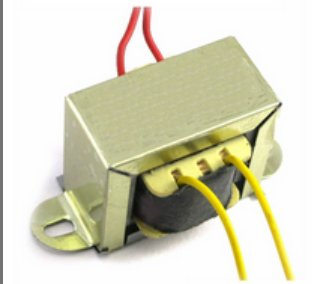

**Weighing scale**

**Surveillance System**

# Products

## Lamination Core Step Down transformer

Transformer: Line Input, 0-24V, 500mA, CRNO Steel Laminated Core

Transformer: Line I/P, 0-28V, 2A/1A, CRNO Steel Laminated Core

Transformer: 12V/24V I/P, 220V, CRNO Steel Laminated Core

Line Matching Transformers: CRNO Steel (Laminated) Core

Transformer: Line I/P, 0-16V, 1.5A, CRNO Steel Laminated Core

Transformer: Line Input, 0-27V, 1.5A, CRNO Steel Laminated Core

Transformer: Line Input, 0-28V, 5A, CRNO Steel Laminated Core

Transformer: Line Input, 0-28V, 1A/2A, CRNO Steel Laminated Core

Transformer: Line Input, 0-15V/16V, 500mA/650mA/1A, CRNO Steel Laminated Core

Transformer: Line Input, 0-18V, 500mA/650mA, CRNO Steel Laminated Core

Transformer: Line Input, 0-12V, 500mA/650mA, CRNO Steel Laminated Core

Transformer: Line Input, 18-0-18V, 500mA, CRNO Steel Laminated Core

Transformer: Line Input, 0-27V, 3.5A, CRNO Steel Laminated Core

Transformer: Line Input, 15-0-15V, CRNO Steel Laminated Core
