

PRODUCTS OVERVIEW

Flow

Pressure Switches and Transmitters

Pressure Transmitters

PID Controllers

Pressure Gages

Air velocity Transmitters

Flow switches

Sensors

Proximity sensors

Photoelectric sensors

Ultrasonic sensors

Fibre Optic sensors

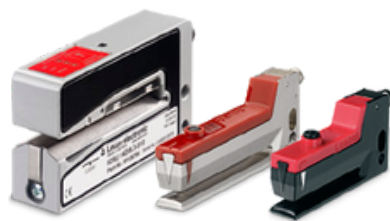

Color sensors

Contrast sensors

Safety Light curtains

Fork photoelectric sensors

Contactless Safety switches

Safety Locking devices

Camera-based code readers

Distance sensors

Automation

Time switches

Relays

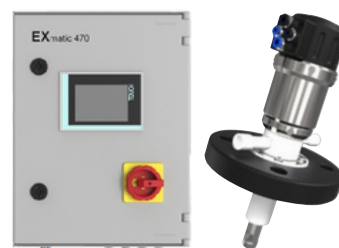

Temperature Controllers

Smart Positioning Drives

Signal Conditioner With Isolated Single / Dual Output (Isolater)

Control Unit Of Pneumatic Retractable Ph Housings

Thyristor Power Controller

Power Supply units

Incremental Encoders

Air

Air Cylinders

Air Preparation Units

Proportional Precision Regulators

Pneumatic Valves

Air Line Valves

One Touch Fittings, Tubings and Air guns

Vacuum Ejectors and Suctions cups

Special Purpose Valves
