

PRECISION IN EVERY LAYER

Advanced PCB Manufacturing
Solutions for **Prototypes**,
Production & Industrial Electronics.

FAST
TURNAROUND

PREMIUM
QUALITY

RELIABLE
SUPPORT

OUR SERVICES

PCB MANUFACTURING

High-quality PCBs
with advanced
technology
& precision.

PROTOTYPE PCB

Fast turnaround
for prototypes
& small-batch
production.

MULTILAYER PCB

Reliable multilayer
PCBs for complex
& advanced
applications.

PCB DESIGN SUPPORT

Expert design
support for optimized
performance &
manufacturability.

PCB ASSEMBLY

End-to-end PCB
assembly solutions.
(Coming Soon)

MANUFACTURING CAPABILITIES

Layer Count
1 Layer to 8 Layer

Board Thickness
0.2 mm to 3.2 mm

Board Size
50 mm x 50 mm to
460 mm x 610 mm

Copper Thickness
1/3 oz to 5 oz

Min. Line/Space
3 mil / 3 mil

Surface Finish
HASL, ENIG, OSP,
Immersion Silver

Solder Mask Colors
Green, Blue, Red,
Black, White, Yellow

Silkscreen Colors
White, Black, Yellow

Drill Size
Min. 0.2 mm (8 mil)

INDUSTRIES WE SERVE

Consumer
Electronics

Automotive

Industrial
Control

Telecom &
Networking

Medical
Devices

IoT &
Lighting
