

SULAKSHANA CIRCUITS

Meeting your high quality PCB needs for 30+ years!

SCAN ME

Your Partner for High-Quality and Quick Turn PCBs

You probably know SCL - Sulakshana Circuits Ltd. for its **High-Quality PCBs delivered reliably over the last 35 years.**

But did you know SCL has been delivering Quick Turn PCBs for the last 4 years as well .

Avoid the surprises when moving from a **Quick Turn / Prototype facility** to a volume shop .

BUY YOUR **QUICK TURN** AND PRODUCTION PCBs FROM THE SAME **RELIABLE, HIGH-QUALITY** SUPPLIER – **SCL!**

Growth & Expansion:

SCL is a pioneer in high-quality PCB manufacturing in India. It was **established in 1987** in Hyderabad, India by **Mr. C S Rao**, a Canadian Aerospace engineer to help develop India's Electronic Industry.

The current CMD, **Mr. Krishna Rao**, an Engineer & MBA from Canadian Universities has expanded the Plant's Capacity, Capability and Quality by investing in **new technology**.

Quality Certification

ISO 9001:2015 | **UL Certified** | C-DOT, CACT, LCSO, RDSO, JSS etc.

SCL has developed its **Quick Turn capabilities** over the last four years. To make it easy to access high-quality Quick Turn PCBs SCL has developed "eQuote" an online ordering platform.

SCL is building a **New Factory** for making Multi-layer in volume especially for the automotive Industry.. The land has been acquired and equipment selection is proceeding.

Our Expertise

- Fabrication of High-Quality PCBs of **1-10 Layers** in Bulk volume and **Quick Turn** (Prototypes)
- Surface Finish: **HASL**, **HAL** with **ROHS** Compliance, **Electrolytic Gold** over Nickel (Hard Gold), **ENIG**, **Peelable Ink** as well as various **Solder Mask** and Legend Print colours.
- Base Materials: **FR4**, **RT/Duroid**, **Teflon**...
- 6 mil(0.15mm) line/Space, 8 mil (0.2mm) Drill hole**

Why Choose SCL ?

- Proven Expertise – With 35 + years in PCB industry.
- Quality Assurance – High-grade Materials, Advanced Testing, and stringent Process Controls.
- Quick Delivery – Prototypes to production volumes
- Online Ordering System - eQuote
- Skilled Team – Highly experienced Team with decades of practical PCB experience

Recipient of ELCINA Excellence in PCB Manufacturing for the year 2023.
